

Developing A CULTURE OF FAITH

This Sunday: Pastor Jeff will continue the series based on **Hebrews 11:6 (NLT)** *It is impossible to please God without faith.* The series is titled **Developing a Culture of Faith.** We will realize what the Bible says about faith. God is still the same today, all that He wants to do in your life and my life and the life of our church, He's going to do on the basis of our faith. This series is designed to help us dig deep and "grow" for it. We want to develop a culture of pleasing God with our faith.
